

Rockford FIRE Volleyball

The Rockford FIRE Junior High, Junior Varsity and Varsity Team is a competitive team that provides both instruction for newer players as well as advanced instruction for returning players. If your daughter is a newer player, I strongly recommend summer camps and practices for them to get started on the basics.

Girls participate in weekly practices, Junior High 1-2 matches per week, and 1-3 weekend tournaments. JV 1-2 matches per week, 1-3 weekend tournaments, and 2-5 tournaments for V level. Practice and games run from August to late October.

Level of play is determined by ability not grade level. Player placement (JV or V level) per coach's discretion. Tryouts will be necessary if the number exceeds maximum and to determine level of play. Sign-ups will end June 30.

Mandatory parent meeting will be scheduled after spring signups.

FEE: Athletic Fee of \$250 for Junior High players or \$50 fee for 5th graders who are wanting to practice. Athletic fee of \$400 for JV and \$450 for V to be paid to Rockford FIRE Volleyball. Athletic fee covers regular season games and tournament entry fees. (Hotel, food, and transportation costs for tournaments are not included)

\$50 deposit (non-refundable) will be due at Parent meeting. All other information will be covered at the meeting.

Practice times: August M, T, TH 5:30-7:00, September-October M, T, TH when there is no game (times are subject to change). A complete schedule will be given at the parent meeting.
